TESTIMONIALS

"I just recently had the pleasure of hosting a party at Studio Clout, The Network. The owners were fabulous. I called on Sunday afternoon to leave a message about the venue, and to my surprise, the owner answered immediately, willing to talk. This was my first impression and it was an impressive one. Upon entering the venue a few days later, I was overwhelmed because everything was so chic and trendy. I had already decided that this would be the perfect venue for my event. My overall experience was so pleasant and both John and Linda were accommodating and hospitable. After the event, I received numerous calls and messages, all commenting on the venue and how incredible it was. I can't wait to host another event there."

"Where can I begin to praise Studio Clout's service, venue and ambiance? The staff was extremely helpful, insightful and creative from beginning to end. They provided exceptional service from planning to the day of the execution. The event attendees loved the venue. The venue was creative, vibrant and warm, providing an open space, yet intimate feel. The beautiful art was wonderful. Additionally, with two open floor plans, we had no issues setting up and transforming the space into the magical environment that our clients desired. Our guests were so pleased, they acknowledged the Lima's with a personal thank you during the event. We at IMAGES USA would like to personally thank you, Studio Clout, for all your diligence, professionalism, time and extra care; we look forward to working with you again in the near future."

"I recently held my launch party and fashion show at Studio Clout. The prices were reasonable and everyone LOVED the unique and trendy venue setting. John and Linda are very professional, courteous, and John always got back with me promptly, patiently answering all of my many questions. Studio Clout went above and beyond for me and made me feel like I was a priority. I don't give recommendations easily, but I recommend Studio Clout for anyone who desires to hold a chic & classy event there! Thanks again."

"I hosted my 35th birthday party at Clout; and all I can say is FABULOUS!!! Clout was simply the "Perfect Place"; located in Historic Castleberry Hill; the venue does not disappoint. As you enter the gallery you walk through beautiful wooden doors (from India), that will set the stage for what's to come. The hardwood floors, and exposed brick walls add to the character of this quaint gallery. John was accommodating and patient; he made every effort to ensure my needs were met from the planning to the actual night of the event. My guest and I enjoyed ourselves and couldn't have asked for a better event. I was extremely pleased and would recommend Clout without hesitation."
